First and MOST IMPORTANT...

*****PLEASE SUBMIT ALL MUSIC ON 1 CD
ONLY IN A JEWEL CASE*****

****CDs will not be accepted without a case****

You must turn your music in from 3:30- 4:30 p.m. on Sunday afternoon outside the auditorium. Check in will close promptly at 4:30. Don't forget to pick up your **score sheets, music, and DVD critiques** by around 10 p.m. that evening. You can also pick up your score sheets Monday morning at the MusicWorks booth at the Radisson Hotel Nashua.

There will be a **mandatory** meeting for all competitors in the girl's dressing room at 5:30 p.m. Teachers and parents are welcome!

There will be males in and out of the dressing room before this time. It does not become a female dressing room until after the meeting.

No videotaping during competition! DMI respects the protection of the choreographer's work, which is why we enforce no videotaping. We will have a photo company taking video, action shots, and group shots during competition, which will be available for purchase.

DMI is a family orientated dance experience. **All routines must be age appropriate and suitable for family viewing.** Inappropriate

choreography, music, or costumes may result in disqualification or point deductions.

DMI is known for its' smooth and on time competition and we appreciate all that you do to ensure that reputation.

There is a **5 point deduction** for more than 30 seconds of prop set up time for either on or off stage. Rehearse these set ups before hand to ensure that they run as smoothly as possible. For any large props bring them to the attention of Felicia Bolick, the DMI Tour Administrator, so we can arrange for storage.

If your studio has numerous **quick changes** throughout the competition make sure that there are appropriate parent/teacher assistances in the dressing room. Rehearse any quick changes beforehand.

Good Luck!
